Rules, Regulations and Fees

To enhance and promote the safety, well being and enjoyment of the Town of Malta buildings and facilities, the following rules, regulations and fees are:

1. Groups, organizations and individuals using Town facilities shall comply with the laws of the United States, State of New York, County of Saratoga and the Town of Malta.
2. When not in use for Town business, meeting and conference rooms may be reserved for social, civic, business, and recreational meetings and entertainments that are open to the public; for meetings of other federal, state and local governments; and for private parties (at the Malta Community Center only).
3. No person may operate a business from facilities rented from the Town.
4. Building and room rentals are not available for groups or individuals wishing to provide community classes or courses. Individuals or groups wishing to provide these programs must apply through the Department of Parks & Recreation by completing an Instructor Agreement and abide by the policies therein.
5. Buildings/rooms are available for rental from 8:30am to 5:00pm Monday, Wednesday, Friday and 8:30am to 8:00pm on Tuesday and Thursday.
6. A Building Use Permit is required to reserve any Town facility. Groups, organizations and individuals wishing to reserve Town facilities must fill out a Building Use Permit application through the Department of Parks, Recreation & Human Services and comply with the laws set herein.
7. Authorized personnel of the Town of Malta, the New York State Police or the Saratoga County Sheriff may revoke any permit previously granted if it is determined by such person that the application for permit contained any misrepresentation or false statement, or that any condition set forth in the rules, regulations or policies governing the permit requested is not being complied with, or that the safety of the patrons or visitors to the facility is endangered by the continuation of such activity. If the permit is revoked, the rental and deposit fees will not be refunded.
8. The permit holder agrees to assume liability for any damage done to any Town of Malta property as a result of the permit holder's gathering. For businesses, a certificate of insurance must be provided in the minimum amount of \$1,000,000 liability naming the Town of Malta as an additional insured. If an event is catered, the caterer must also supply the Town with a certificate of insurance in the minimum amount of \$1,000,000 liability, naming the Town of Malta as an additional insured. This requirement cannot be waived for a business.
9. The requirement for naming the Town of Malta as an additional insured may be waived when the applicant is an individual and not a business, but that individual must supply the Town with a copy of his homeowner's or renter's policy in a form acceptable to the Department of Parks and Recreation. The policy must carry a minimum of \$300,000 in liability coverage.

10. The Town of Malta will not be liable for any claims for injury or damages resulting from or arising out of the use of the Town's facilities. The permit holder agrees to indemnify the Town and hold it harmless against any and all such claims, damages, losses and expenses, including reasonable attorney's fees, as a result of the permit holder's gathering. This provision is intended by the parties to be broadly interpreted so as to accomplish the goal of relieving the Town from any cost or liability associated with the permit holder's gathering.
11. A security deposit of \$250 is required for private parties and to reserve a meeting/conference room for those groups using the Town facilities on an ongoing basis throughout the year. For one-time events other than private parties a security deposit of \$100 is required.
12. Room 106 of the Malta Community Center is open for Malta residents and Malta not for profits free of charge. Insurance and deposit requirements are waived. Individuals or groups wishing to reserve the room must provide proof of residency, sign a hold harmless and fill out a Building Use permit application for approval. Business wishing to rent the room must comply with the requirements and charges listed herein.
13. Deposits will be refunded if the buildings and grounds are left in the condition in which they were found, and if the permit holder has complied with all of the terms and conditions of the permit.
14. The rooms are available at the time approved on the form. Any event that starts earlier or runs later than the approved time will be assessed the hourly fee in full-hour increments.
15. The permit holder is responsible for setup of the rooms. Setup is considered part of the rental period for which a fee must be paid. The room must be left in the condition in which it was found, which includes cleaning and setting the room back up.
16. Any cleaning performed by Town staff as a result of your event will be assessed a fee of \$50 per hour and will be assessed in full-hour increments. The permit holder is responsible for bringing his own cleaning equipment and supplies.
17. Fees are due upon approval of the facility use permit and certificate of insurance.
18. Facility use fees are nonrefundable.
19. In the event of an emergency situation or inclement weather and Town personnel need to close the building, the permit holder will be notified as soon as possible. Rental fees will be returned, but the Town will not be responsible for any organization's loss of revenues resulting from situations beyond the Town's control which result in the cancellation of an event.
20. Use of Town facilities to host business meetings and training programs that benefit Town employees and to allow other governmental agencies the use of the Town facilities in the spirit of inter-municipal cooperation is allowed with the following conditions:
 - all facility use is based on the complying with the Rules, Regulations and Fees promulgated under §40-4 of the Town of Malta;
 - fees are waived, however, the Town Departments Heads shall inquire as to whether the fees related to the sessions or courses can be waived for Town employees;
 - Town meetings, functions and programming take precedence over requests;
 - requests may be submitted 60 days prior to the requested date;
 - requests are scheduled based on the availability of facilities;
 - all entities making a request must fill out a Building Use Permit Application and submit it to the Department of Parks, Recreation & Human Services for scheduling and approval;
 - deposit fees and insurance certificates will be reviewed on an individual basis and may be waived by the Director of Parks, Recreation & Human Services;
21. There shall be no smoking or possession or consumption of alcoholic beverages, including beer, wine, liquor or other intoxicating beverages, allowed on Town grounds. There shall be no smoking in Town buildings or in the entrances of the buildings.
22. The possession or use of a weapon is prohibited on Town grounds and in Town facilities.
23. All pets on Town grounds must be leashed and all animal waste must be removed from the grounds by the owner.

Neither the loss of the security deposit or the collection of damages, or both, will prohibit the prosecution by the Town of any person for a violation of a rule of regulation, State or local law, ordinance, rule or regulation. A violation of these rules, regulations and fees shall constitute a violation and subject the offender to a fine of no more than \$250. The Town Board of the Town of Malta authorizes the Town's Director of Parks & Recreation the right to deny any facility use permit which would not meet the criteria in the Town law or endangers the public health, welfare and safety of the residents of the Town. Any applicant whose request has been denied may request the Town Board to review the application on the grounds that the denial of the application was not in the best interests of the Town of Malta as a whole. The Town Board, at its sole discretion, may approve or deny any application brought before it.

COVID-19 Safety Plan for Malta Community Center Rentals

Submitted by:

Reviewed by:

Due to the COVID-19 pandemic, a safety plan outlining procedure for safety measures is required from facility renters. The plan needs to outline specific safety measures that meet or exceed the latest guidance provided by New York State Department of Health.

COVID safety plans must be reviewed and approved by Department staff at the time of reservation. If additional space is needed to describe plan specifics, separate documentation may be provided. The renter is responsible for enforcing the operating plan with all persons involved.

Department staff will be wearing a face covering in all public settings. The room has been cleaned and disinfected prior to the start of your rental. Hand Sanitizer will be provided at the entrance to the facility and in each room.

Facility Rental Guest Count – *Limit gatherings and discourage participation by anyone in a high-risk group*

- Total count of guests:**

- Does your attendee list include anyone who may be considered “high-risk” for severe illness from COVID-19?**
The NYSDOH recommendation for persons considered “high-risk” is to continue to stay home. Those at high-risk for severe illness from COVID-19 include people age 65 and older and people of all ages with underlying medical conditions.

Health Screenings – *Ensure that all attendees understand the risk and stay home when sick*

- Inform attendees prior to arrival that they must remain home if:**
 - a) They are experiencing any symptoms of COVID-19, and/or
 - b) Tested positive for COVID-19 test in past 14 days, and/or
 - c) Had close or proximate contact with confirmed or suspected COVID-19 case in past 14 day
 - d) Have traveled to or hosted anyone from any State on the NYS Restricted State list in the past 14 days

- How will you monitor guests entering facility, and what steps will you take if a guest is showing one or more symptoms of COVID-19 prior to accessing facility?**

Food & Beverage – *No food and beverage allowed with exception of attendees bringing in their own personal water/snacks*

Face Coverings - *Face coverings are required upon entrance of the facility, in all common areas of the facility (hallways, bathrooms, etc) and anytime physical distancing of 6 feet cannot be maintained*

Physical Distancing – *Implement practices for physical distancing of 6 ft*

- How do you plan to maintain recommended physical distancing during the facility rental? Please provide specific instruction or provide a layout of furniture and equipment to be used.** Consider the room layout, seating arrangements, limit sharing items, greeting (avoid handshakes), modifying activities, etc. Facility renter is responsible for setting up the tables and chairs. Please leave tables and chairs set up at the end of your event for department staff to clean and disinfect.

Communications – *Identify steps for communications in case of an outbreak*

- Contact tracing helps contain potential outbreaks. How will you notify your guests in the event of exposure to COVID-19?** The renter must keep a roster of all persons onsite with contact information (name, phone number and address). Facility renter is responsible to keep roster on file for 30 days after the event and provide a copy of the roster to the front desk staff after the event. Management of information collected is responsibility of the facility renter.

- Suspected and confirmed cases of COVID-19 must be reported to Town of Malta Department of Parks, Recreation and Human Services as soon as possible.** Report suspected and/or confirmed cases of COVID-19 to Alyssa Benway at abenway@malta-town.org or 518-899-4411
